Good Morning,

The file is saved on the H: drive.

Subject: CAG response

LaTonya,

I'm having to send this from my personal email account because my laptop cannot log into the EPA network. Please save to the Superfund shared drive under West Lake and then CAG letter

folder. After that please let Shannon, Chris, Ben know where the file is and that it is the final version for layout as WL Update. I will be out of pocket and reach most of the day Wednesday.

thanks
